## WORK PERMIT

Job: **DIRTY, DANGEROUS, DIFFICULT WORK**

Pay: **EXPLOITIVE WAGES**

Right to Change Employer: NONE

Approved by: \_\_\_\_\_

**MINISTER BATT O'KEEFFE**

# The Government can liberate thousands of workers from exploitation.

The current employment permits system binds a worker to one employer. This is a leading factor in the exploitation of workers. Minister Batt O'Keefe can change the lives of thousands with a simple administrative change. All workers, including those in the employment permits system, deserve the right to change employer.
