

Families Belong Together

Dear Deputy _____,

I am your constituent from _____ and am directly affected by Ireland's family reunification rules.

Although I work and contribute to my community, I am forced to live apart from my family because of restrictive policies. Families should not have to choose between earning a living and being together.

I urge you to support:

- **Ending the 12-month waiting period for family reunification applications.**
- **Removing income thresholds that exclude lower-income families.**

Thank you for your support.

Will you support family reunification for migrant workers in Ireland?

Will you write to the Minister for Justice requesting he:

- Remove the income thresholds for family reunification?
- Abolish the 12-month waiting period?

I commit to supporting Family Reunion
